

## Are you concerned about our impact on the planet?

- + Climate change
- + Habitat loss
- + Environmental degradation
- + Urban sprawl
- + Future oil shortages

## Are you interested in sustainable ways of living?

- + Environmentally friendly and energy-efficient homes and work places
- + Renewable and efficient energy options
- + Environmentally and culturally sensitive town planning
- + Waste reduction, reuse and recycling
- + Sustainable transport
- + Clean air and reduced greenhouse gas emissions
- + Clean water used sustainably
- + Working with others in your community to build resilience

## Work with us to:

- + Reduce our ecological impact
- + Protect and restore the natural environment
- + Understand our place in the environment
- + Build resourceful and resilient communities
- + Bring the sustainability message to Tasmanians.

### Sustainable living information service

We hold the most comprehensive and accessible collection in Tasmania on the natural environment and sustainable living. Our services include:

- + Extensive library
- + Books for sale
- + Educational materials
- + Referrals to environmental products and services.
- + Home Sustainability Assessments
- + [www.sustainablelivingtasmania.org.au](http://www.sustainablelivingtasmania.org.au)
- + [www.sustainablelivingexpo.org.au](http://www.sustainablelivingexpo.org.au)
- + Support for Transition Initiatives in Tasmania
- + Display opportunities for business

### Organisation and facilitation of seminars, workshops and conferences

- + Our annual expo showcasing products and approaches that lead the way to a more sustainable future
- + Sustainability Seminar Series bringing together experts, business, government and the community to discuss sustainability issues
- + Providing workplace sustainability training
- + Community group facilitation and support

### Administrative support for environmental groups

Meeting and office space, grant administration and practical support for groups working on environmental issues.

### Community gardens

Support for community gardens at Lenah Valley, Cynet and Tarooona

**Become an SLT member**

### Practical pathways to sustainable communities

A community within which government, business, industry, education, community groups and individuals work in partnership to continually improve Tasmania's environmental and social sustainability.

## Who are we?

We are a community-based, non-political organisation established in 1972 as the Tasmanian Environment Centre. In 2005 we adopted Sustainable Living Tasmania as our trading name.

We are working throughout Tasmania to:

- + Raise community awareness about living sustainably in an urban environment
- + Take action through partnerships with government, business and households
- + Support the adoption of sustainable practices
- + Maintain and enhance our local natural environment.

## Volunteer!

We need you!
