Café by Peregrine School

Open all weekend

Peregrine School, 1118 Nicholls Rivulet Road, Nicholls

Rivulet, Tas 7112

03 6295 1300

Thank you to all our sponsors.

In addition to the major sponsors listed on the cover without whom the Expo would not happen, we would like to thank the individuals, businesses and community groups who have directly supported the Expo and in particular the production of the catalogue:

The Archi Centre (Royal Australian Institute of Architects,
Tasmanian Chapter)

Radial Timber Sales

Green Pages

@ Home in Your Home

And of course thank you to all the volunteers who have turned out faithfully to wash dishes, staff stalls, set up display panels and do the work behind the scenes.

SUSTAINABLE LIVING
TASMANIA

Sustainable Living Tasmania is a non-profit organisation that has been working for the environment and the community since 1972.

We provide

- Information on sustainable living choices for householders
- An extensive open access environmental library
- An environmental information service and sales of books
- Administrative support to community environmental organisations
- Community education on sustainable living
- An environmental referral service
- seminars, workshops and other events to support change for sustainability.
